- Teamwork skills
- Learning capacity

Job-related skills

Solid knowledge and expertise in law (national, EU and international)
Solid knowledge and expertise in ethics
Good understanding of EU policy and legislation

Projects:

Innovative teaching and learning paths for the prevention of new drugs abuse (INES)

[2021 – 2024]

Project Coordinator: Alma Mater Studiorum, Università di Bologna (Italy). The Innovative teaching and learning paths for the prevention of new drugs abuse (INES) project aims to create the conditions to support the collaborative networking of teachers, external experts, and students to find, test, adapt and use (within common teaching workflows) didactic strategies and resources to tackle the NPS problem.

<http://ines.unibo.it/>

IPEDU - Introducing Intellectual Property Education for Lifelong Learning and the Knowledge Economy

[2020 – In curs]

Project Coordinator: Limerick Institute of Technology (Ireland) Type of Project: Erasmus+ KA 2 Strategic Partnership for Higher Education Project Lifetime: 1st of September 2020 until 31st of August 2023.
The IPEDU project is aimed at introducing education in the field of Intellectual Property, in the curriculum of technical Universities, through training librarians and information specialists. The IPEDU project will develop innovative teaching tools, which will help librarians and university staff to acquire the skills and

competencies needed to deliver courses, in the field of Intellectual Property, to students at technical universities and library users.

Environmental Education – OERs for Rural Citizens (EnvEdu-OERs) project 19-COP-0038

[2020 – In curs]

Project Coordinator: Transilvania University of Braşov (Romania),

EnvEdu-OERs Project is focused on environmental education mainly for rural communities, developing a set of teaching modules for continuous training that will be available on a learning platform, addressed to the local/rural leaders, as well to the the different local community groups related to the environmental protection.
